

They're anxious to put on the gloves
but Uncle Sam says—"not here!"

We like to give you unusual value, can't always do it, but these gloves at \$1—well just take a look at 'em yourself.

They're for the man who doesn't want to pay a higher price; don't suppose we allow him to go elsewhere?

A glove customer means a customer for hats, shoes, clothes or other furnishings.

ROGERS PEET & CO
